

# 2019 BACK-TO-SCHOOL

Dear Greene Middle School Parents and Guardians,

## Welcome Back to School!

We hope you had a wonderful summer. We are looking forward to spending this upcoming school year with you and your family.

## The Greene Parent-Teacher-Association (PTA) has 3 objectives:

- **Fundraise to support Greene Middle School**

**Your annual donation pays for equipment and supplies used by Greene teachers and staff.** Last year, we bought books for the library and classrooms, cookware for the HomeEc classes, instruments and cleaning services for Band and Orchestra, a kiln for Art, snacks during CAASPP test days, *and much more!* **We need your PTA donation to supplement what we receive from CA state so that we maintain our high level of excellence at Greene Middle School.**

Although we request \$300 per student, any contribution is welcome. Annual donations are 100% tax-deductible; please ask your employer if it has company-matching. Our goal is to have every family participate at any level. ***Thank you for your generosity.***

**Annual Donation + PTA Membership: FORM, [ONLINE STORE](#)**

- **Recruit Parent Volunteers for School and PTA programs**

Last year, we recruited parents for the school's Incoming 6th Grader's Jaguar Journey, Library's Fall and Spring Book Fairs, Science Fair, Marching Band practice, and more! Parents also stepped forward to host our PTA programs such as Bike Safety, Cotillion Dance, and Just Parties fundraisers! ***Thank you for your time.***

- **Host Community Building events**

It can be more difficult to make connections here at Middle School with tweenager dynamics. The PTA hosts a number of social events for students, for parents-staff, and for families to create opportunities for connection and strengthening our community.

Mark your Calendar! Our epic BackToSchool Pizza Party is on August 21st! Last year, over 1000 of us attended - it was a huge party for

Greene families. We also host grade level Parent Network events, International Fair , and many events for students. Please click the links below to see more of our activities:
