Terms & details

5% goes back on all orders in **October and November**.

You can enter the code before October 1 to join early; if you are new to Good Eggs, you will get a \$15 discount and be counted toward your school's \$500 bonus, even if you join early.

You must use the code GREENE2018 on your order to join the fundraiser. You will see confirmation text that reads "You're supporting Frank S. Greene Jr. Middle School!" at checkout.

If you use another code at checkout your order will not be counted toward the fundraiser. Once you've used the code on an order, it will stick in your basket through the fundraising period — no need to enter it again.
