## What?

Jaguar Journey (a.k.a. JJ) is the orientation program for 6th grader students and parents. At JJ, students will journey to encounter their 6th grade teachers, new friends, and learn about their new middle school. We use these first two days of school to help connect our new 6th graders to life at Jordan. Students participate in many JJ “stations” located all around the school campus. It’s fun!! Parents, please volunteer to make this a memorable journey. Feel free to sign up for multiple following positions!

**Scavenger Hunt:** Students will explore Greene's campus and get to know front office staff. Parent volunteers will roam Greene's campus and supervise small groups. Scavenger Hunt volunteer signup link:

**Locker Olympics:** Students will practice opening combination locks and will receive their locker assignment. Parent volunteers will assist small groups of students and/or one on one as 6th graders practice using a lock before locating and tackling their own personal locker.
